SPIRIT OF HADRIAN'S WALL

Hadrian's Wall is a World Heritage site and its route is followed by one of Britain's most popular National Trails. Spanning the wilder uplands of northern England, the wall stretches from the Solway coast to Newcastle.

Roger Clegg's exquisite photography captures the spirit and moods of this wild frontier landscape. His photographs illustrate most published literature about

the Wall, and are also a feature of the forthcoming Hadrian exhibition to run throughout the autumn at the British Museum.

A glorious 192pp 'coffee table' book. £20
