

NEW EDITION

WALKING IN THE ISLES OF SCILLY

INFORMATION

Basking in sunshine, rising green and pleasant from the blue Atlantic Ocean, fringed by rugged cliffs and sandy beaches, the Isles of Scilly are a joy to explore.

The Isles form the smallest of Britain's Areas of Outstanding Natural Beauty, and their historic shores have been designated as Heritage Coast. The surrounding sea is protected as a marine park. Archaeological remains abound, not only on the islands, but submerged beneath the sea.

While the walks in this guidebook could be completed in as little as a week, a fortnight would allow a much more leisurely appreciation of the islands, and leave you with memories that will last a lifetime.

AREA MAP

THE AUTHOR

Paddy Dillon is a prolific outdoor writer with a score and more books to his name, as well as a dozen booklets and brochures. He writes for a number of outdoor magazines and other publications, as well as producing materials for tourism groups and other organisations. He lives on the fringe of the Lake District, and has walked, and written about walking, in every county in England, Scotland, Ireland and Wales.
