

Do you need more display space?

We can offer spinners dedicated to Cicerone guides. We supply the display spinner free of charge, for as long as you need it. If you decide you no longer have a use for the spinner, please just contact us and we will arrange for it to be removed.

The spinner remains the property of Cicerone, for you to use for as long as you wish.

When you first place an order to stock up a new spinner, we will give you an extra 5% discount to help you.

The spinners we use are very robust, and look great. They are manufactured by Hannecke, and will be sent to you directly from their UK distributor, 'Point Eight'.

Posters can be A4 or A3.

(A2 posters can be produced, but will be sent to you in two parts.)
